EXPERIENCE

Holland & Knight LLP, San Francisco, CA — *Associate, Asset Finance Group*

July 2020 – present

- Negotiate contractual points of lease and lease novation agreements on behalf of lessor counsel.
- Draft, revise, and amend documents pertaining to the acquisition and financing of numerous aircrafts, including purchase agreements, security agreements, and assignments of interest.
- Assemble and maintain closing checklists, closing indexes, and physical closing sets for internal use and clients' reference.
- Interpret case law and federal statutes to write legal memos concerning topics such as choice-of-law clauses, bankruptcy, and cross-border insolvency.

Harvard Law School, Cambridge, MA — *Research Assistant to Professor Louis Kaplow*

September 2018 – January 2020

- Analyzed articles from various law journals, academic journals, and books to prepare memos highlighting issues of interest in antitrust law, such as horizontal mergers, predatory pricing, and vertical integration.
- Identified ways in which the material can be expanded upon or further refined through more comprehensive research, based on previous analysis of the readings.

Root & Rebound, Oakland, CA — *Law Clerk*

May 2019 – August 2019

- Conducted legal and policy research regarding barriers to reentry, such as discriminatory housing and employment practices.
- Wrote memos analyzing potential limitations and areas for improvement in proposed legislation.
- Developed legal trainings to inform system impacted individuals of their legal rights.

DeepDyve, Redwood City, CA — *Data Analyst*

2017 – 2018

- Interpreted data pulled from SQL databases to develop strategies for optimizing consumer experience.
- Conducted service pricing tests designed to evaluate consumer behavior and preferences.
- Examined and organized pertinent data to create quarterly usage reports for corporate clients.
